## ELETRONICS

- ⚓ Raymarine Radar/Chartplotter GPS sensor and 12" color monitor
- ⚓ Raymarine ST6001 Autopilot
- ⚓ Raymarine depth transducer
- ⚓ Dual station Horizon VHF and DCS, hailer and foghorn
- ⚓ AM/FM stereo with 4 speakers and 6 disc CD Changer

There is a comfortable PILOTHOUSE with excellent visibility in all directions that is open to both the salon and galley.

Pristine example of this very hard to find used 40' Endeavour TrawlerCat... ONLY 1,700 hours and shows like new!!! This is a LOADED boat with all the bells and whistles.

In addition to the VERY EXTENSIVE list of standard equipment (LISTED BELOW) she is loaded with many tens of thousands of dollars of factory options including (4) 110 WATT Solar panels with regulator and remote display - 11' Fiberglass dinghy with back seat cushions, bimini and 30 HP Yamaha, two stroke engine with remote controls, steering wheel and lifting bridle - digital cell phone booster w/antenna - transom rack & 12 volt davits w/propane gill and cooler - 6KW Northern Lights diesel generator with 1,250 hours - washer/dryer combo - central vacuum system - 20" flat panel TV with DVD/VCR combo player with amplified external antenna - and cable/phone plug and dual 900 Racor fuel filters on both engines.

When it comes to long range cruising in total comfort and safety it's hard to beat the Endeavour TrawlerCat 40'!!!

Twin STATEROOMS each with its own queen size bed - big hanging lockers - bureaus and separate stand up fiberglass shower stalls. (owners stateroom has a Roman tub!)

Bright, beautiful GALLEY with all the conveniences of home and everything it takes for long range cruising.

There is a very large and functional SALON that has the feel of a cozy waterfront apartment with a view. With its comfortable L shaped sofa and matching chair with a large cozy folding dinette table and other features it really does have the feeling of home.

When you think of all that - and add in easy access walk around decks - a large cockpit with transit door and molded in fiberglass entry steps for easy swimming/snorkeling access - padded sun lounging area forward - and much, much more this is one incredible seagoing vessel.
